CiDR Lab

Re: Sample data-sharing collaboration (SYNTHETIC EXAMPLE)

Dear Dr. Example,

This is a synthetic example letter used to exercise the `cidr-letterhead` skill. All names, dates, and details here are fictional. It demonstrates the `pandoc + xelatex` path: a Markdown letter with the CiDR Lab masthead, brand palette, Inter typography (with graceful font fallback), and the affiliation footer.

The body can run for several paragraphs. Use this file as a template to draft a real single-page letter, then build it with `scripts/build-letter-pdf.sh examples/sample-letter.md out.pdf`.

We look forward to a productive collaboration.

Sincerely,

Dr. Samuel Sample
Research Director
Collective Impact Data & Research Lab (CiDR Lab)
